FIRST! I know that in the myths all of the hunters are female. In this, males can join also.
Plot:
At the age of ten, 8 specific orphans are given the choice to join The Hunt. The advantages of being a member include immortality and protection of a goddess. But first, you must pass all 3 challenges. Each challenge eliminates 1 player and throws them into Tartarus. Artemis has set a spell so that 4 will fail, and 4 will succeed. To prove themselves, the last orphans must each journey down into the Underworld and save one person. Will they all perish? Or will they have another chance at life?

Rules:
1. No Mary Sues. No one can have a perfect character.
2. Hate the character, not the creator.
3. Use correct grammar, spelling, and punctuation.
4. No killing another character without the creator's permission,
5. No controlling other people's characters.
6. If you've read this far, put Artemis in your character's font in other.
7. All forms must be approved by a mod. (They will come out later. If you want to be one, go to 355278)
8. All optional things are marked with a *.
9. IF YOU ARE FEMALE AND YOU WANT A MALE SPOT THEN THAT IS OKAY!! AND VICE VERSA
9. Have fun!

May double post- I'm sorry it took me so likg to get my form in

Name: Ruby Canmore

*Nickname: Prism

Age:10

Gender: female

Sexuality: straight

Appearance: Ruby has pale skin and shoulder length strawberry-blonde hair. She has hazel eyes. She usually wears capri-length jeggings, a pink t-shirt, a pink, blue, and purple hoodie, and pink sneakers. She has pink glasses and usually has a hair tie around her wrist.

Personality: Ruby is shy and closed off. She loves to read and longs for the chance to go on adventure like the ones she has read about. She is smart and a daydreamer. She is worried most of the time and is always fidgeting with something (usually the hair tie on her wrist).

Flaws: She has a hard time focusing and often gets lost in her imagination. She frequently gets too ambitious and bites off more than she can chew.

Darkest Fear: That people she cares about will get hurt or hurt her.

Backstory: Ruby never knew her dad, because died in a car crash before Ruby was born. When Ruby was 7, her mom got cancer and died a few months later. Ruby was always smart, and ever since then she has worked hard in school to become a doctor. Her dream is to discover the cure for cancer so no one has to suffer the same fate as her mom.

Lost female form:

Name: Cathie
*Nickname: Cat, but only her friends call her that.
Age: 10
Gender: Female
Sexuality: Straight
Appearance: Tall and has a lean frame. Dark skin, and black hair she usually ties into a single braid running down her back. Dark brown eyes, and usually wears a dark blue hoodie and jeans. Her clothes are tattered and dirty, not very well taken care of. She has a sky blue necklace, and it is usually covered by her jacket.
Personality: Very quiet and closed off, especially in new places. She doesn't talk much, unless it's to someone she knows and people often taunt her because of this, seeing easy bait. She hardly ever gets too angry about anything and when someone is being unkind, she will just ignore them and not respond. When she does make friends, it's usually because people take pity on her, and though she doesn't want pity, she will often win them over with a positive attitude and lighthearted personality.
Flaws: She can be overly dependent on her friends, and will tag along even when people don't want her around. When someone finally asks her to go away, she can get very hurt by this. She doesn't take solitude very well, and finds the presence of other people very comforting, even if she doesn't particularly like those people.
*Hidden Ability: To be determined.
Powers: Very fast, but I'm not sure if that's a power? I will figure them out later, I guess.
Darkest Fear: No one wanting her around.
Backstory: Her father delivered her to an orphanage, saying her mother had died giving birth to her. He left her with the blue necklace she always wears, saying it was her grandmother's. Then he left her at the orphanage, never to return. Cathie grew up in the poor, city orphanage that wasn't very strict. Kids would often leave the orphanage alone for the day, and she would often accompany them, despite not really asking if she could come.

Name: Luna
***Nickname:** N/A
Age: 10
Gender: Female
Sexuality: She's not really looking to be involved romantically right now.
Appearance: Luna has black hair, brown eyes, and light brown skin. She is skinny and relatively short, due to malnutrition.
Personality: Luna is often quiet, but not shy. When she's quiet, she's trying to blend into the background and avoid being targeted. She has a dry, sarcastic sense of humor, and sometimes mutters snarky remarks. Not very ambitious or competitive, but a little sneaky. She is independent, and not afraid to stand up for herself when she is directly targeted, but might ignore things happening to others. Her idea of being on a team is generally doing nothing unless given direct orders. She's a little awkward sometimes.
Flaws: Somewhat selfish, apathetic, not good at working with a team, not good at human interaction
***Hidden Ability:** [omitted due to the option]
Powers: [omitted as instructed]
Darkest Fear: Caring for others
Backstory: Abandoned at a rough orphanage almost from birth, Luna never knew her birth parents. She grew up in a place where violence and fights were common, food was rare, and family was a foreign concept. She learned to stay in the background and out of mind, to avoid being attacked. She's used to taking care of herself and only herself.
